Here is the revised agenda. Jen made edits. There is a call with DEP on Tuesday at 1:30 pm between DEP and EPA that Jen set up.

Jen,

Maria Bebenek got back to me and she is fine with the proposed agenda. I made some slight wording changes to address your comments from yesterday. I added back in two sub-bullets into section 2. These were priorities PADEP had provided to Steve back when he first started working on the agenda.

Maria mentioned that you discussed having a prep call with PADEP on Tuesday. Do you want us to set that up?

Let me know if you have any additional comments or questions.

Rick
